

Remarks/Arguments

There are no amendments to the pending Claims.

Claims 1-25 are pending in the application and have been rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over Claims 1-19 of copending Application No. 10/731,492. Claims 1-25 have also been rejected on the ground of nonstatutory obviousness-type double patenting as being unpatentable over Claims 1-17 of copending Application No. 10/385,576 (now U.S. 6,998,508) in view of Gerkin (U.S. 5,489,618).

Enclosed is a Terminal Disclaimer to obviate these rejections.

Believing the application is now in condition for allowance, Applicant solicits an action to that effect.

Respectfully submitted,

Michael Leach
